Hear why apartment rents will keep falling

July 23rd, 2009, 2:00 pm · 21 Comments · posted by Jon Lansner

The apartment business is morphing along with the economy as cash-trapped renters try to figure out how to save a buck.

Online apartment listing service [Rent.com](#) produced a "[apartment-shopping white paper](#)" ([HERE](#)) showing how the rental game is changing. We asked Rent.com general manager Peggy Abkemeier to tell us why roommates are in; why rents are down and what apartment shoppers can do to

maximize their savings.
