Rent.com President Peggy Abkemeier On The Luxury Rental Lag

Peggy Abkemeier is the President of Rent.com, the nation's number one Internet listing site in the rental housing industry.

Peggy is responsible for setting the strategic direction and managing the overall operations of the company. Working closely with her executive team, she is known for her thoughtful, analytical, and collaborative approach to building the Rent.com business. Prior to her position as President, Peggy was the company's Chief Financial Officer for three years. Peggy speaks to Forbes on the state of the high-end U.S. rental market now.
